BLOOD SEARCHER. A STANDARD MEDICINE For the speedy, radical, and effectual cure of ALL DISEASES arising from IMPU-RITY OF THE BLOOD.

This medicine has wrought the most miraculou cures in desperate cases of Scrofula, Cutaneous Diseases, Cancerous formations.

Pimples on the face, Old, Stubborn Ulcers, Tetter affections, Mercurial Diseases, Liver Complaint,

Erysipeles, Boils, Sore Eyes, Scald Head, Rheumatic Disorders, Costiveness, Salt Rheum, General Debility, Loss of Appetite, Female Complaints, and all Diseases having their origin in an impure state of thd Blood.

The above is a portrait of David McCreary, of Napier township, who, on the 21st day of August, 1858, made affidavit before Justice Gorley that he was treated for the cure of Cancer by three physicians of Bedford County, and by Dr. Newton of the Electic College in Cincinnati, for a period of nearly eight months, notwithstanding which, his lip, nose, and a perion of his left check were entirely eaten away! He had given up all hope, when he heard of the "Blood Searcher," and was induced to try it. Four bottles cured him, and although sadly disfigured, there is no question but what this invaluable medicine saved his life. The full particulars of this remarkable case may be seen in a circular, which can The above is a portrait of David McCreary, of markable case may be seen in a circular, which can be had of any of the agents.

We also refer to the case of Nancy Bleakney, of Elderton, Armstrong county, Pa., cured of Scrofula

after being unable to get out of bed for three years.

To the case of a lady in Ansonville, Clearfield county, Pa., who was also afflicted with Scrofula in its worst form.

To the case of George Meisel, residing in Carroll-

town, Cambria county, Pa., who was so badly af-flicted with Cancer that it eat his entire nose off, and his case was worse, if possible, than McCreary's.

The particulars of these cases—every one of which was cured by the use of the Blood Searcher—may also be found in a circular to be had at any of the Agents. R. M. LEMON, Proprietor.

DOUBLE THREAD

EFMIN'A SEMES MFCHMES Price from \$30 to \$50 according to Style This Celebrated Machine was Patented June 20th

At the Ohio State Eair held at Sandusky, 1858, and

1st. Its simplicity, and directness with which the power is communicated to the needles. This is the great desideratum, and in this we claim a decided uperiority over all other machines.

2d. The needle and needle bar are both straight and the motion direct; the needle bar is attached to a small wheel driven by a larger one, instead of to the long arm of the lever, as in most machines, with power upon the short one. The latter arrangement necessarily makes the motion of the needle both circular and weak, while the former gives strength and

Jesse Wertman
vs.

Common Pleas.

Eli Culbertson.

By virtue of a writ of Fi Fi, duly issued from the Court of common Pleas of said county, dated the 4th day of April, 1860, and to me directed, 1 will sell at Public Auction at the door of the Court House in said County, on equal capacity.

4th. It uses silk, cotton, or linen thread, from the

original spools; unlike most machines; it will permit the seam to be turned at right angles at its highest speed; it has much more room than other family machines for passing goods through, thus allowing to pass freely the heaviest garments, bed-quilts etc., and it will turn up readily upon hinges attached to the stand, though this is seldom necessary, as both tensions are regulated from above.

5th. The Machine will do a greater variety of work than can be done by any other stirch. It will

HER, QUILT. GATHER, EMBROIDER, and comp. and will do neatly and rapidly every variety of sewing that can be done by similar stuch upon the highest priced machine. No machine will make and put upon garments the FINISHING CORD as neatly as Send for a circular containing full particulars, prices, testimonials, illustrations of stitch, &c. Orders for Machines and Circulars will receive.
